

# Alumni Academic & Business Resources

University and college alumni are now able to gain access to premium information resources through EBSCOhost®, offering the latest scholarly full-text information in many areas of business and academic study to meet virtually any research need.

## Academic Search™ Alumni Edition

Designed for the post-college researcher, this database provides full text for nearly 2,650 journals—including more than 2,290 peer-reviewed journals—as well as indexing and abstracting for more than 13,845 journals.

Popular areas of academic study are covered, including:

- Biology
- Chemistry
- Engineering
- Law
- Music
- Physics
- Psychology
- Religion & Theology

*Academic Search Alumni Edition* also includes valuable peer reviewed full-text journals, offering critical information from many sources.

## Business Source Alumni Edition

Providing access to more than 1,320 full-text business magazines and journals—of which 644 are peer-reviewed—this resource was created specifically to meet the research needs of the post-graduate professional.

The database offers information in nearly every area of business including:

- Marketing
- Management
- Management Information Systems
- Production & Operations Management
- Accounting
- Finance
- Econometrics
- Economics

*Business Source Alumni Edition* includes full-text sources ranging from general periodicals to trade publications and top management journals. Additional full-text sources include country economic reports, industry reports, market research reports, company profiles and more.
