

Through the combined strength of H.W. Wilson and the power of EBSCOhost®, the most used research platform, emerges

# Education Source™

—the definitive full-text resource for education.

By combining H.W. Wilson's high-quality subject indexing with both companies' (EBSCO's and Wilson's) extensive full-text education content, users will find the most comprehensive and most relevant search results.

*Education Abstracts™*

*Education Index Retrospective™*

*Education Full Text™*

*Education Research Complete™*

More than 200 additional full-text journals not previously available in any database

**= Education Source™**
