

Integrated. Economical. Up-to-date.

ReproEXPERT™ delivers human reproductive risk data for EH&S professionals:

- Developing or evaluating workplace safety standards
- Authoring MSDS and product labels
- Labeling or distributing products
- Working directly with chemicals in the workplace

Access documents and information from more than a dozen databases through an intuitive, customizable interface that combines effortlessly with other ExPub products for a time-saving “one-stop” experience. Even better, you are freed from sifting through search results of little relevance to your work.

ExPub focuses strictly on the needs of EH&S professionals. As a *ReproEXPERT* customer, you’ll have complimentary access to ExPub subscriber bonuses such as:

- *ListEXPERT™*
- *TOXLINE®* Special
- TSCATS
- Environmental Chemistry Information System (ECIS)
- *MyEXPERT™*

And as always, we stand behind our products with a money-back guarantee and the best customer support in the business.

With your subscription to *ReproEXPERT*, you have integrated access to:
